

DESIGN FEATURES FOR EASE OF CLEANING AND PATIENT TRANSFER WITH NO SACRIFICE IN PATIENT COMFORT

The Elite Care Cliner features dual swing-arms, allowing obstruction free patient transfer. In addition the swing away arms provide full access to the sides and frame for easy cleaning. LiquiCell has been added into the seat for enhanced patient comfort over time. This ultra-thin, liquid-filled interface aids in improved blood flow, and helps prevent skin breakdown. This recliner is the gold standard choice for Dialysis and Infusion care professionals.
